Subject: FW: FOIA 2019-243

Dear Mr. Garrou,

This is concerning our phone conversation related to your FOIA request ,2019-243, related to fluorochemicals, for food contact use. In our conversation, we discussed narrowing the scope of your request to perfluoroalkyl substances (PFAS) that are the subject of Food Additive Petitions, Food Contact Notifications, and any specifically named releasable documents in your request.

Please note that this a large request and you will be asked to provide pre-payment of approximately \$3500 for the requested information. Your request will be processed after pre-payment is received. Please confirm that the above information is responsive to your FOIA request.

Regards,

Marla D. Swain, Ph.D.
